

Handwritten musical notation for guitar, consisting of five systems of notes and fingerings. The notation includes various rhythmic values (quarter, eighth, and sixteenth notes), rests, and accidentals (sharps, naturals, and double naturals). Fingerings are indicated by letters R (Right hand), L (Left hand), M (Middle finger), and D (Dotted quarter). Some notes have a prime symbol (') above them, likely indicating a natural or a specific fingering. Vertical lines of dots are drawn below the notes, possibly representing fret positions or a specific guitar model.

Handwritten musical notation for guitar, consisting of two systems of notes and fingerings. The notation includes various rhythmic values and accidentals. A vertical bar line is present between the two systems. Vertical lines of dots are drawn below the notes.

WHEN YOU'RE GONE - AVRIL LAVIGNE

WHEN YOU'RE GONE

I always needed time on my own
I never thought I'd need you there when I cry
And the days feel like years when I'm alone
And the bed where you lie is made up on your side

When you walk away I count the steps that you take
Do you see how much I need you right now

[Chorus]

When you're gone
The pieces of my heart are missing you
When you're gone
The face I came to know is missing too
When you're gone

The words I need to hear to always get me through the day and make it ok
I miss you

I've never felt this way before
Everything that I do reminds me of you
And the clothes you left, they lie on the floor
And they smell just like you, I love the things that you do

When you walk away I count the steps that you take
Do you see how much I need you right now

[Chorus]

We were made for each other
Out here forever
I know we were, yeah
All I ever wanted was for you to know
Everything I'd do, I'd give my heart and soul
I can hardly breathe I need to feel you here with me, yeah

[Chorus]
